Dear Parent/Guardian,

The purpose of this letter is to inform you that these are our scheduled days for the state assessments for digital students.

Per the Florida Department of Education (FDOE), no remote administrations are available for any statewide summative assessments.

Digital students will come into the school to take their FSA tests on the following dates. Students will report to Parrott at 1:45, sign in, and wait in the quad to allow for adequate social distancing. **No students will be permitted after 2:00**, as testing will be in session and cannot be interrupted. At 2:00, they will be escorted to their assigned testing location. Parents will pick their student up at 4:30. **Please note the different drop-off time for specific tests.**

If your student receives Extended Time as an accommodation, their pickup time may be later.
