What is a School-Parent Compact?

Our annual School-Parent Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts

- Link to academic achievement goals.
- Focus on student learning.
- Share strategies that staff, parents, and students can use.
- Explain how parents and teachers can.
- communicate about student progress.
- Describe opportunities for parents to observe, volunteer, and participate in the classroom.

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the School-Parent Compact. Teachers met with other teachers within their content area and were able to submit a survey. Parents provided valuable feedback on their needs to help their students. Meetings are held each school year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.

Please call 352-797-7025 or visit our website <https://www.hernandoschools.org/schools/fox-chapel-middle-school> for more information on the School-Parent Compact.
