

Hernando Schools works directly with the Florida Dept of Health and the Florida Dept. of Education to implement and align appropriate health and safety protocols.

Face Coverings

At this time, masks are optional for students, staff and visitors at all sites. Face coverings worn in school must meet dress code.

Social Distance

Wherever feasible, schools will create a 3-foot buffer between students to reduce the potential for disease transmission.

Cleaning

Spaces throughout the school, high traffic areas and buses are cleaned regularly and in accordance with health and wellness guidelines.

Vaccine

The Hernando School District does not require a Covid vaccine to attend school. Click [HERE](#) to check which immunizations are required for school.

Reminders

- **Encourage children to wash their hands frequently.**
- **Stay home when sick.**
