Where's the bus? Always know where your child's school bus is by downloading [Edulog's Parent Portal](#) app. Parent Portal tracks the bus in real-time so you'll know if the bus has arrived at school, if it's running late or if you've missed it.

TIPS

Please do your part to keep students safe:

- Watch for bus signals. Do not pass a school bus while it is stopped for students.
- Slow down in school zones. Watch for students at bus stops.
- Put down your phone while driving.
- Please be patient during the first few days of school as routes are refined.
